MUD STOPS FAVORITES AT FAIR GROUNDS---ONE-HUNDRED-TO-ONE SHOT WON AT NEW YORK.

MUD DESTROYED FORM OF THE HORSES

Favorites Fell in Row on the Soft Fair Grounds Track-Winners Hard to Pick.

LEMUEL RUNS AN UGLY RACE.

The Great Two-Year-Old Mud Runner Was an Also Ran-Me-Cann's Weak Finish on Battus.

With mud knee-deep on the race track a the Fair Grounds yesterday, the horses ran as they pleased. Form out no figure, the bad going standing as excuse for all sert

defeat of Lemuel, a noted mud horse, and a bot favorite in the two-year-old event. Lemuel was regarded as the best thing of the day. He failed to show a bit of speed, though his last out saw him beaten a length by such horses as Kaloma, Trio and King Daly horses, which outclassed the field which beat Lemuel yesterday. Then he is a noted mud runner. But he "also ran" in a delightful manner, and the betting in one or two books in the ring indicated that that was where he would run.

the fourth race was a perfect gem. With Maximus barred in the betting, Battus was played. Maximus won all right and forty yards out Battus seemed to have the placewhich meant first in a betting sense-cinched. McCann let go of his head, allowed him to noddle along, looked around to see it lieved when the latter horse came up and beat Battus under the wire. Not since the celebrated day when a stable lad rode Miss Young the same way has such a finish been seen on the Fair Grounds or possibly any

fers to ride for King Edward VII of Erg-land, but he is not an incompetent boy. His fearful exhibition on Battus was due, probably, to that tired feeling which sometimes oppresses a jockey. From the way the boys rode, and from the numerous overweights posted yesterday, it looked as if there had been some "large doings" about the stables on Wednesday night.

on Wednesday night.

Robert, Jr., a handy son of Doctor Hasbrouck, landed the first event from a field of dogs, though taking a lot the worst of the weights. He showed himself a good horse to run in the mud and won easily by many lengths. Lemuel was played as if he had the second event won. He was off bad, in bud, out bad, had all the way and across and finished nowhere. Hurtressa, who comes by her ability to run in the mud honestly (she is a Pirate of Penzance).

who comes by her ability to run in the mud honestly (she is a Pirate of Penzance). won the race, with Resp, an 89-to-1 shot. second. Has Gift should have had the place, but, J. T. Woods let her go to pleces at the end. She is a very consistent mud runner, but if Lemuel cannot give her ten pounds and a beating in the going "stroke me bloind," as Ed Fryar says.

The race run by Larry Wilt here is worthy of note. Though this fellow can go like a scared ghost in the mud, he was anchored yesterday. He will bear attention when the track is sticky. After this came McCann's ride on Battus, and after that the deluge was due.

Ben Frost ran a cracking good race in the fourth event, at the pretty odds of 3 to 1. He beat Percy R. easily. The son of Faustus seems to be a very handy fellow. Deponan was running a great race in this event when McKinnie allowed him to be bumped out of it going around the stable tarn. He never had a chance after this, Through the couriesy of the boy who rode Lindenella, Guide Rock had no trouble winning the fifth event. Lindenella was allowed to fall out of it during the early going, and finished like an automobile, but could not get up. Pan Charm ran a good race into second place, and Kitty Clyde was third, beating the abused Lindenella in the last couple of jumps.

Though lame ns he went to the post and hobbling painfully as he was led away after the race. Jerry Hunt was good enough to beat the great "has been," Verify, in the sixth race Matt Hogan, a well-played good thing, showed speed, but could not stay the distance at the pace and in the going.

CAVIAR IN A ROMP.

Annexed Turf Congress Handicap at Hawthorne—Waddell's Peor Race. Chicago. June 6.—Caviar to-day proved himself to be a horse of considerable class by winning the Turf Congress Handicap at Hawthorne from a field to which he was conceding considerable weight. The crowd was disappointed because Lady Schorr was scratched. Caviar was the favorite at 17 to 10, and, after laying third most of the way, came along in the stretch and won in a romp by four lengths from Wild Pirate, with Bangle, the early pacemaker, third with Bangle, the second choice, ran a poor race and has either staled or is being rested up by owner Bradley for the American Derby. The weather was fine, but the track was heavy.

Belmont's Colt Breaks a Record on

A well-known turf official, writing about he American Derby and its candidates, ave.

a smart colt in Outlander, a frequent winner this year.

"Barrick's nomination—Criterion—is only a sprinter, and will not be seen in the classic event. Croker's cracks—Beau Gallant and Bellarlo—have not done as well as they should. The former, it will be remembered, beat Commando for the Matron Stakes last fall at Morris Park, and Bpencer, who is again in the employ of James R. Keene, was censured for going to sleep on his mount. Many were of the opinion, however, that Beau Gallant, a mighty horse less fall, was capable of taking Commando's measure that day. Beau Gallant has not shown in public yet, but those who have seen his private trials say he has not displayed the improvement looked for. Frank Erown, who trains the Croker horses, is evidently preparing the son of Jim Gore for some of the big future events. He may catch the Keene pair at a disadvantage.

"Bellario did not show to advantage in either the Metropolitan or the Withers and plas not grown an inch since last year. He is a delicate, nervous colt and exceedingly hard to train.

"Clarence H. Mackay's great 816,444 Frankfort, a full brother to the great Hamburg, has done nothing to warrant paying his car fare to Chicago.

"Frank Farrell's Bonnibert has a split hoof which will keep him on the shelf for some time.

"Charles Littlefield's black colt. Water Color, is a sprinter, pure and simple, but a very fast one, and young Charley may elect to try for the Chicago prize.

Mantle, lived in the year of Uncle Bob, of Strathmeath or of Carisbad, Modesty could not until this day claim the distinction of being the only filly to win the great South Side classic. It may sound like a brash statement, but it goes without fear that there are not more than two colts and not one filly in the West entitled to be classed with Lady Schorr. She may be as fast as Yo Tambien was and as game as imp was. That time will show. She is a better-looking mare than either. That is in evidence now.

She Wins the Gaks.

Bad instructions beat her in the Tennessee Derby. She had a practical walkover in the Oaks at Memphis, at Louisville and Latonia, and she will win the Englewood Stakes at Washington Fark, the most valuable stake for 3-year-old fillies in the West, to a certainty. She has won stake after stake without showing the limit of her endurance or speed. She need ask nothing of any 3-year-old that has been seen in the West so far but the allowance to which her sex is entitled.

Lawson's Yacht Met With Her First

Accident on Second Trial Run.

Boston, June 6. The Lawson yacht Independence, in her second saif trial to-day, met with her first accident, a not very serious jamming of the steering-gear, but sufficient to stop the trial after an hour and a half of splendid sailing, during which she attained a speed on reach of a little over thirteen and one-half measured nautical miles an hour. The accident led very unexpectedly to a most thorough test of the yacht's rigging and her big steel mast, and the result showed that it would take a very severe blow to dismast the Boston yacht.

The big boom, swung by a fifteen-knot breeze, swept over the stern of the yacht at a tremendous speed, Captain Haif being unable to prevent it. It was so sudden that none of the crew was aft with the preventer tackle, and the big mast had to stand the entire weight of the sail and boom as it fetched up.

There was not a man on the boat who did not think the big mast would go, but the star stood the arrain magnificently.

Previous to the accident, and in subsequent gybing, the yacht was given a most thorough test under full sail in a strong breeze, and showed herself to be a wonderful boat, especially in her ability to run with sheets started.

BRAID WINS OPEN CHAMPIONSHIP.

Scot's Score Was 309, While Harry Vardon's Was 312.

Gullane, Scotland, June 6.—Scotland's prospects of winning the championship have not been so bright in many years as when James Braid accomplished the remarkable feat of going around Murfield links in 74, and completed the third round 5 strokes shead of Harry Vardon. The latter got bunkered several times, and his play was generally weak. In the third round Braid scored 74, making a total of 229. Vardon scored 74, making a total of 229. Vardon scored 74, making a total of 225.

Finally Braid won with a total of 312, and Taylor third with a total of 312. Taylor rivaled Braid's capital work, going round in 74.

The features of Braid's play were perfect driving and déadly putting. Nearly a thousand spectators followed him, and their enthusiasm was great.

The amateur Hilton, played a fine round for 75, and tock the lead of the amateurs.
